SME-UC USB Day/Night Car Charger DVR

The **SME-UC USB DAY/NIGHT Hidden Car Camera** is the perfect 2-in-1 device: it functions as an everyday car charger and a hidden camera DVR with night vision. It pulls double duty by capturing discreet, law enforcement grade 1080p HD video footage. This can be used for around-the-clock vehicle security or investigative needs. The unit can be used for CI meetings, undercover operations, and vehicle security. This hidden camera blends into the vehicle seamlessly as a common vehicle accessory -- no one will suspect this in-car hidden camera functions as anything other than a car charger.

USB Charger

The

USB port outputs enough power to use as a real car charger and it charges any device that uses a USB cord to charge.

Camera Angles

When designing this camera we took suggestions from real life undercover officers who wanted to capture the video inside the vehicle. The rotating head of the 1080p Covert Hidden Car Camera DVR with IR's offers a slight right to left and up and down rotation to give you an adjustable camera angle.

How it Works:

Plug it into the car lighter adapter port and adjust the camera direction with the rotating base. Rotate cover to expose on-board controls, insert memory card, and with one flip of the switch the unit is operational and ready to capture day or night 1080p HD Law Enforcement quality video footage.

Features:

- ◆ 1080p HD performance
- ◆ Built-in DVR with IR-Night Vision (no

Must include picture and item description

glow)

- ◆ Day & Night Time Recording
- ◆ 1 Functioning USB port
- ◆ One touch on and off
- ◆ Enhanced audio
- ◆ Plug and play operation
- ◆ Easy to adjust the camera direction with the rotating head
- ◆ Time and Date stamp on video
- ◆ Supports up to 32GB memory card

Government Pricing:

SME-UC DAY / NIGHT USB-DLX Car Charger DVR, 32GB Card, Instruction manual & Storage/Travel Case \$395.00

SME-UC USB-STD (NO NIGHT VISION) Car Charger DVR, 16GB Card, Instruction manual \$ 250.00

(Also available as part of the SME-UC TRAVEL KIT)
